SUMMARY:

Experienced React developer with a proficiency spanning two years, actively pursuing a challenging role to leverage my skills in front-end development, UI/UX design, and adept problem-solving. Eager to contribute my expertise and foster innovation within a dynamic development team, where I can apply my robust technical skills and enthusiasm for crafting outstanding web applications.

SKILLS:

- ReactJs
- HTML
- CSS
- JavaScript

- Redux
- React-Router
- Tailwind CSS
- NodeJS

- MongoDB
- Version Control (Git)
- Express JS

EXPERIENCE: Senior Systems Engineer | Infosys (Sept 2021 - Present) | Pune, Maharashtra

- Developed interactive web applications using Reactjs, HTML, CSS, and JavaScript.
- Implemented responsive design techniques to ensure optimal user experience across different devices and screen sizes.
- Collaborated with design and backend teams to implement UI/UX designs and integrate APIs.
- Conducted code reviews and provided constructive feedback to optimize code quality and performance.
- Participated in Agile/Scrum development process, attending daily stand-ups, and contributing to sprint planning and retrospectives.

PROJECTS:

1. Weather App(https://weatherreact1.netlify.app)
   - Technology used: React.JS, REST API
   - A weather app built using React is a web application designed to display real-time weather information for a specific location. It leverages an external weather API to retrieve data and presents it in a user-friendly, visually appealing manner.
2. Stylz Clothing
   - Technology used: HTML| CSS | JavaScript | React JS | Redux | TailwindCSS
   - Developed a responsive e-commerce website using React JS, incorporating Redux for state management and React Router for seamless navigation. Successfully implemented features like user authentication, product search, and shopping cart functionality.

EDUCATION:

- Bachelor of engineering (Information Technology)
  Dr. D Y Patil College of Engineering, Akurdi
  2017-2021
  CGPA: 7.85

CERTIFICATIONS:

- Meta Front-End Developer Professional Certificate
- Infosys Certified React Associate
- Infosys Certified Frontend Web Developer
- Accenture Nordics Developer Program
